

I have received numerous inquiries from Grangers following the federal court's ruling that there is only one California State Grange (us), and that the McFarland Group is not a Grange and has no affiliation to the Order of Patrons of Husbandry. I would like to remind members that have been paying dues to the McFarland Group that the California State Grange's amnesty program is still in place and available to you. Any Subordinate Grange taking advantage of that program will not be responsible for dues paid to the McFarland Group in the past, and will be restored to good standing in The Grange upon receipt of dues and reports required for the current quarter under the rules of the Order.

For more information about the amnesty program, please call or email me at:
