

Welcome One and All -

Since 2012, Grangers have been meeting and putting together resolutions that were adopted at meetings of the McFarland Group. Unfortunately, those resolutions were not properly adopted under the rules of The Grange. However, I understand that those resolutions have been very important to the Grangers that voted for them and for the good of their Community Granges, so I would like to welcome every one of those resolutions to be submitted by the author to the California State Grange for inclusion in the submission of resolution process for the 2016 Convention to be held in June @ Morgan Hill Grange. We are asking for the authors to submit their resolutions for inclusion in a compiled "book" of outstanding resolutions. Once approved, these resolutions can be included in the California Sate Grange Journal of Proceedings and Policy Book. We would like to get a jump on as much of this work and get them out to the membership as quickly as time permits. We are striving for a 2.5-day convention and the resolution process, as you know, can really weigh the timeline down. This information should be emailed to our Secretary Lillian Booth lbooth@CaStateGrange.org
