

Dear Worthy Master of the California State Grange + Grangers,

I am proud to report, as the Chairperson of Rio Linda Grange #403 Great and Small Fund, that folks may alternatively seek emergency relief for Grangers [members in good standing] for their animals that have been effected by recent fires or by such disaster.

Please contact either Master Laury Porter, [Secretary Linda MacCracken](#) and/or myself for more information.

Thank you for your attention.

Fraternally,
Sharon Taylor-Rio Linda Grange # 403
