

Brothers and Sisters:

It is my pleasure to announce to you the appointment of **Tacy Currey** as the California State Grange Fair Program Director. Tacy brings amazing personal assets to our well respected and valued program. Her responsibilities to the program will included but are not limited to:

- * Management and Oversight
- * Research and Development
- * Budgeting and Business development
- * Coordination and relationship development outside the Grange
- * Grant Research and Application Process
- * Educational Structure
- * Personal Benefits to its participants
- * Forward Thinking and the Future

Tacy's success with the Grange Fair Program is outstanding - she has over 125 participants currently and envisions the program developing in 2016 to have over 200 youth participants in California Fairs from her own Dixon Grange #19.

She also brings with her the relationships that she has cultivated over 20 years with Fair Managers throughout the state and the administration at California State Division of Food and Agriculture (CDFA).

Please join me in welcoming her as one of the Directors of the California State Grange and wish her success and your support.

Meet Tacy

Tacy brings over 20 years of experience as a classroom educator, community outreach coordination, policy advocacy and partnership driven project development.

Growing up, she found a passion in the world of Animal Husbandry. She was an active member of the 4-H and FFA leadership organizations and worked to expand her knowledge in all species through showing, livestock judging, direct herd

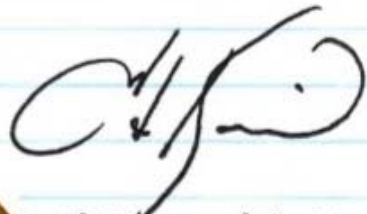

management and finally as a ag teacher. Tacy received a B.S. in Agricultural Education (1994), and a Teaching Credential in Science and Agriculture (1997) from the University of California at Davis.

Mrs. Currey served as Executive Director for the California Association of Resource Conservation Districts and served as a member of several groups including California Roundtable on Agriculture and the Environment, California Rangeland Coalition, NRCS State Technical Advisory Group and California Ag Vision. She is passionate about sharing and collaborating with others to promoting the rich diversity of production we have within California.

Currently, Tacy is managing parnter of Currey Ranch Consulting along with her husband John. They live on the historic family ranch in Dixon, California along with 2 sons where they can be found renovating the family Victorian home and a caring for a collection of market and breeding species.
