

Would you like to enhance your local food system?

The California State Grange is looking for subordinate Granges that would like to partner in a statewide grant working to enhance and support your local effort.

If you are a Grange in good standing that is interested in providing support to your local markets through training workshops, local marketing, a local sales event or venue, creation of a local project incubator or creating a cooperative for equipment or needed resources please contact [tcurrey@CAStateGrange.org](mailto:tcurrey@CAStateGrange.org)
